EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas Fisher on January 26, 1998.

2. The application has been amended as follows:

Claim 1, line 16, "and as" has been deleted and ~~the initial portion, the choke also being--~~
B1 inserted.

3. The following is an examiner's statement of reasons for allowance: The recitation of an engine air intake system having a wall spaced apart from an upper part of a hood side portion, the spacing between the wall and the hood upper part being less than the spacing between the wall and the inlet to define a water separating choke in the air flow path above an initial portion, the choke also being an exit from the initial portion to induce water separation from air as the air exits the initial portion, in combination with the rest of the recited structure, defines over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
